Application License Pricing

Arcus Global products are sold Software as a Service (SaaS) on a Per User Per Month basis.

Volume Discount

Volume	Cost per month	Cost per annum
BAND 1: Users 10-15	£95	£1140
BAND 2: Users 16-30	£80	£960
BAND 3: Users 31-50	**£65**	**£780**
BAND 3: Users 51+	£55	£660

Band 3 is our most typical configuration for a local authority.

Implementation Services

There is also one time charge for application delivery, on boarding and data migration. This will be priced in line with Arcus Global's Skills for the Information Age (SFIA) rate card. This can be determined via dialogue or by specifying the functionality required.
