Section 1: Pricing

SAP S/4HANA Cloud

Edenhouse Solutions is the leading independent SAP partner in the UK. Our consultants have exceptional experience of providing fully integrated end-to-end business solutions and support services. As a trusted SAP partner, Edenhouse are well positioned to provide a complete Cloud ERP Solution for all business processes.

This is the Pricing for SAP S/4HANA Cloud provisioned on SAP's own data centres. Edenhouse have the capability to deploy S/4HANA on SAP's own private cloud environment or on Edenhouse's own hosting partner if desired. We would be happy to discuss the respective advantages of all the options available.

Pricing

Licensing

The following indictive pricing is based on SAP List Price and may be subject to change.

As an SAP Platinum Partner, we are able to negotiate discount levels on an individual basis, for further information please contact us.

SAP S/4HANA Cloud for Enterprise Management	£283.00 per Full User Equivalents per month

Full User Equivalent (FUE) means the number that corresponds to the number of individuals authorised to access specified solution capabilities of the S/4HANA Cloud for enterprise management service (each a user) as follows:

1 FUE = 0.50 SAP S/4HANA, Developer Access (single tenant edition only)

1 FUE = 1 SAP S/4HANA for Advanced Use

1 FUE = 3 SAP S/4HANA for Core Use

1 FUE = 30 SAP S/4HANA for Self-Service Use

Support

Edenhouse prides itself with a high-quality support service that we provide to over 350 customers. Our support service provides up to 24x7 extensive support cover by arrangement. Support costs will vary dependant on the volume of support required.

Implementation

Implementation costs can vary dependant on specific project and customer requirements as they are dependent on the project scope.

Disclaimer and Confidentiality
