Online benefits calculator (with full better off functionality) and budgeting tool as part of entitledto's premium pack:

- Small organisations - £2,600 for unlimited users
- Medium sized organisations - £5,200 for unlimited users
- Large organisations - £8,000 for unlimited users
- Very large organisations - determined by sector and usage and in most cases up to £25,000 for unlimited users

### Online claim form

Price dependant on client needs. Please contact entitledto to request a quotation for your organisation.

### Customisation and bespoke development pricing

Standard branding and setup is included in the annual licence fee. Should bespoke development be required it is charged at a daily rate £950 per day (pro rata). Additional branding and re-brands are charged at £500 per re-brand. All development is quoted separately in advance of development.

### Support pricing

Support is included free in the annual licence fee. Customers receive a customer newsletter with tips and guidance relating to the tools. Electronic adviser guides are also provided for products.

### Training pricing

Should bespoke training be required it is charged at a daily rate of £900 and includes all training material. Standard expenses are payable but can be agreed in advance.

Please note: All rates quoted are subject to VAT and payable annually.
