

Discovery Inventory Management System Pricing - DIMS

1. Pricing Options

- **Full Device Licence (Full System Access)**

Access to the DIMS system can be provided on a Device Licence basis, including unlimited user licences at a fixed cost of £2,500 per month.

Access includes full access to our support teams, the ability to set and administer customer specific certificate management rules, the creation of automated certificate status alerts; i.e. certificate expiry warnings or any noted exceptions to certificate management rules alongside a personalised reporting suite. The Full Device Licence also offers unlimited user numbers anytime access.

- **Certificates Under Management – Volume Based Pricing (Full System Access)**

SSL Certificate Volume Under Management	Monthly Pricing
< 100 Certificates	£199
101 - 299 Certificates	£349
300 - 499 Certificates	£499
500 - 999 Certificates	£749
1000 - 2999 Certificates	£999
3000 - 4999 Certificates	£1,499
5000 - 9999 Certificates	£2,499
10000+ Certificates	£2,999

Access includes full access to our support teams, the ability to set and administer customer specific certificate management rules, the creation of automated certificate status alerts; i.e. certificate expiry warnings or any noted exceptions to certificate management rules alongside a personalised reporting suite. The Volume Based Pricing also offers unlimited user numbers anytime access.

- Network Scan As a Service

Frequency of Network Scan	Price Per Scan
Monthly Network Scan	£199
Quarterly Network Scan	£499
Annual Network Scan	£1,499

Network Scan As a Service access allows alternative access to the software on an on demand basis to execute a full SSL Inventory scan on either a recurring monthly, quarterly or annual basis, with a full report produced for the customer with details of the network inventory at point of scan.

This option includes reporting output only.

The costs shown below for Installation & Transition, Support & Maintenance & Hosting Costs below do not apply to Network Scan As a Service Pricing Option.

2. Installation & Transition

Installation & Transition cost is £5,000.00 for Full System Access options. This also includes remote user training and any customisation required prior to go live. Customisation can also be requested to the base platform on an ongoing basis via the Skills Framework for the Information Age rate card.

3. Support & Maintenance¹

Support & Maintenance 15% of Total User Licence Cost, for Full System Access options.

4. Hosting

Hosting Costs are Inclusive Within the pricing options detailed above in 1.

¹ Travel & Subsistence Payable at Standard T&S Rates When Delivering Support Services Onsite. Support Services Can Be Provided Remotely.
