- 17.3 The provisions of this clause shall not apply to the service of any proceedings or other documents in any legal action.
- 18 Entire agreement**
- 18.1 This Agreement constitutes the entire agreement between the parties in relation to its subject matter and replaces and extinguishes all prior agreements, draft agreements, arrangements, undertakings, or collateral contracts of any nature made by the parties, whether oral or written, in relation to that subject matter.
- 18.2 Each party acknowledges that in entering into this Agreement it has not relied upon any oral or written statements, collateral or other warranties, assurances, undertakings or representations which were made by or on behalf of the other party in relation to the subject-matter of this Agreement at any time before its signature, other than those which are set out expressly in this Agreement.
- 18.3 Each party hereby waives all rights and remedies which might otherwise be available to it in relation to any statements or other representations made under subclause 18.2, but for clause 18.4.
- 18.4 Nothing in this clause shall exclude or restrict the liability of either party arising out of its pre-contract fraudulent misrepresentation or fraudulent concealment.

- 19.7 A waiver of any right under this Agreement is only effective if it is in writing, and it applies only to the party to whom the waiver is addressed and the circumstances for which it is given. No waiver shall be implied by taking or failing to take any other action.
- 19.8 Unless specifically provided otherwise, rights arising under this Agreement are cumulative and do not exclude rights provided by law.
