Neither party will bind the indemnified party to a monetary obligation in a settlement or compromise, or make an admission on behalf of the indemnified party, without obtaining that party's prior consent.

9.4. THIS SECTION 9 CONTAINS EACH PARTY'S EXCLUSIVE REMEDIES AND THE INDEMNIFYING PARTY'S SOLE LIABILITY FOR INFRINGEMENT CLAIMS/CLAIMS, RESPECTIVELY.

Therefore, Customer agrees to comply with both the U.S. regulations and those E.U. regulations and will not export in violation of the regulations and without all proper licenses. Customer's failure to comply with these regulations will result in an automatic termination of the Agreement and all rights to the Subscription Services thereunder.

11. TRIAL OF SUBSCRIPTION SERVICES. BMC may make certain Subscription Services available to Customer as a trial, without an Order and without charge. Such products are deemed to be "Subscription Services" pursuant to this Agreement except as set forth in this Section 11. Any Subscription Service provided as a trial is provided to Customer solely so that Customer may evaluate internally, for no more than a 30 day period, whether to acquire usage rights to such Subscription Service for a fee. Such Subscription Service (a) is provided "AS IS" without any warranty, service level agreement or support, and (b) cannot be put into productive use or included as part of Customer's business processes in any manner, unless or until it is expressly licensed and paid for under an Order. BMC may terminate all of Customer's rights and licenses to these Subscription Services for BMC's convenience upon notice to Customer. The United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. Nothing in this Agreement shall be deemed as preventing either party from seeking immediate injunctive relief from any court having jurisdiction over the parties and the subject matter of the dispute.

13. U.S. FEDERAL ACQUISITIONS. This Section applies only to acquisitions of the commercial Subscription Services and Documentation subject to this Agreement by or on behalf of the United States Government, or by any prime contractor or subcontractor (at any tier) under any contract, grant, cooperative agreement or other activity with the United States Government. In the event the Subscription Services are delivered to the United States Government, the United States Government hereby agrees that the Subscription Services qualify as "commercial items" within the meaning of the Federal acquisition regulation(s) applicable to this procurement. 15. VERIFICATION. Customer agrees that BMC or its agent may monitor the Subscription Services to ensure Customer's

compliance with the terms of this Agreement. If such monitoring reveals that Customer has exceeded the Capacity for the Subscription Services, Customer agrees to pay the applicable fees for additional capacity upon receipt of an invoice from BMC. If Customer fails to pay fees for such additional capacity, BMC may suspend Customer's access to the Subscription Services until such fees are paid in full.

16. MISCELLANEOUS TERMS. BMC is not liable for its failure to perform any of its obligations under this Agreement during any period in which performance is delayed by Customer or circumstances beyond BMC's reasonable control. The parties are independent contractors and this Agreement does not create a partnership, franchise, joint venture, agency, fiduciary, or employment relationship between the parties. Customer will receive system notifications from BMC and its licensors, if applicable (i.e. planned downtime notices, etc.). This Agreement, including the Attachments and Orders constitutes the entire agreement between Customer and BMC and supersedes any prior or contemporaneous negotiations or agreements, whether oral or written concerning the Subscription Services. There are no third-party beneficiaries to this Agreement; Customer is not entering into a contractual relationship with BMC's licensors and BMC's licensors have no liability to Customer. Except as provided in Section 2 above, no modification or waiver of any provision hereof will be effective unless made in a writing signed by both BMC and Customer. Customer may not assign or transfer this Agreement or the Subscription Services to a third party, whether by merger, operation of law, or otherwise. Should any provision of this Agreement be invalid or unenforceable, the remainder of the provisions will remain in effect. Any additional or conflicting terms of any Customer purchase order are rejected by BMC and do not apply. The Subscription Services may contain hyperlinks to websites controlled by parties other than BMC.
