d. **Appliance.** End User acknowledges that the Software included with the Appliance is licensed and not sold. Such Software is licensed solely in conjunction with such Appliance (and not separately or apart from such Appliance). If End User sells, leases, lends, rents, distributes or otherwise transfers any Appliance to any third party or if Imperva terminates this Agreement under Section 11(b) or for a breach of Section 2(c), then End User will erase all Software from such Appliance. If End User enters into a subscription or term agreement for the use of Appliances, all right, title and interest in such Appliances will remain with Imperva and the Appliances must be returned at the end of the subscription period or term. If acquired by or on behalf of any agency within the Department of Defense ("DOD"), the U.S. Government acquires this commercial computer software and/or commercial computer software documentation subject to the terms of the Agreement as specified in 48 C.F.R. 227.7202-3 of the DOD FAR Supplement ("DFARS") and its successors. This U.S. Government End User Section 2(f) is in lieu of, and supersedes, any other FAR, DFARS, or other clause or provision that addresses government rights in computer software or technical data.

3. **Support and Subscription Services.** Provided End User has an active and fully paid contract for Support, Imperva will provide Support in accordance with its standard Support terms then in effect. Subscription licenses for Software include Support. Provided End User has an active and fully paid contract for Subscription Services, Imperva will provide such Subscription Services in accordance with the applicable standard Service Level Agreement (SLA) then in effect; provided, however, if End User uses Subscription Services to record events and monitor access to third party services, the continued availability of such functionality is subject to the third parties' then-current access policies.

4. **Additional Terms for Subscription Services.**

a. **Accessing and Use of Subscription Services.** Except as explicitly set forth herein, End User is solely responsible for acquiring and maintaining all of the equipment, software, services and items necessary to access and make use of the Subscription Services, including without limitation paying all fees, charges, taxes, and other costs related to internet access and for configuration changes that may be required to route activity to the Products. End User may access the Subscription Services only through the interfaces and protocols provided or authorized by Imperva and its partners, and agrees to set up, maintain and use the Subscription Services in strict compliance with Imperva's and its partners' instructions. End User is solely responsible for maintaining the confidentiality of any passwords and account information required to access Subscription Services, for all acts that occur in connection with End User's account and to immediately notify Imperva of any unauthorized use of End User's account. In the event of expiration or termination of any Subscription Services that require DNS routing, End User will be solely responsible for rerouting its DNS traffic and Imperva, its partners and suppliers shall have no liability for End User's failure to do so.

b. **Authorization.** Certain Subscription Services are offered to cache, monitor and optimize web pages and web sites. As such, End User hereby grants Imperva and its partners a nonexclusive, worldwide, fully paid-up, royalty-free license to use, transfer, display, minimize and compress the content and material on End User web sites ("**End User Content**"), in any media formats, solely as necessary for the provision of the Subscription Services. Imperva and its partners do not store or provide backup services for End User Content, and if End User's use of the Subscription Services terminates for any reason, Imperva and its partners may, without notice, delete or deny End User access to any of content or meta data that may remain in its/their possession or control. In addition, End User agrees that if, at Imperva's and its partners' sole determination, End User is using the Subscription Services in a manner that violates laws, rules or regulations or creates an excessive burden or potential adverse impact on Imperva's, its partners' or its suppliers' systems, business or customers, Imperva, its partners or its suppliers may suspend or terminate End User's access to the Subscription Services without notice to or liability to End User.

5. **Professional Services.** Professional Services, if any, to be provided by Imperva to an End User will be subject to a separate statement of work ("**SOW**") agreed to by Imperva and Imperva's standard Professional Services terms then in effect.

6. **Fees, Payment Terms, Shipment and Delivery.**

a. For orders accepted directly by Imperva, End User shall pay Imperva the applicable fees designated by Imperva. Overage fees may apply and be due to Imperva or an Imperva reseller if End User exceeds its allowance for any Subscription Services at Imperva's then-current overage rates. Any fees payable to Imperva are non-refundable and payable in US Dollars. End User shall also pay all sales, use, value-added and other taxes, tariffs and duties of any type assessed against End User, except for taxes based on Imperva's income. Should End User be required under any law or regulation of any governmental entity or authority outside of the United States, to withhold or deduct any portion of the payments due to Imperva, then End User shall increase the sum payable to Imperva by the amount necessary to yield to Imperva an amount equal to the sum it would have received had no withholdings or deductions been made. Fees shall be invoiced as follows: (a) fees for all Subscription Services, subscription licenses for Software and Support shall be invoiced at the time of the initial order and in advance of each renewal period; (b) fees for other Software licenses and Appliance purchases will be invoiced upon Delivery. All payments from End User to Imperva are due net thirty (30) days after the date of invoice. If End User's account for Subscription Services or Support is thirty (30) days or more overdue, in addition to any of its other rights or remedies, Imperva reserves the right to suspend such services to End User, without liability to End User, until such amounts are paid in full. Imperva shall have the right to conduct and/or direct an independent accounting firm to conduct, during normal business hours, an audit of End User's facilities, computers and records to confirm End User's use of Products is in compliance with this Agreement. End User shall provide reasonable cooperation with any such audit.

b. Imperva will use commercially reasonable efforts to ship the Appliances and the Software license keys at the times requested in Orders (in partial or full shipments); provided, however, that Imperva shall in no event be liable for any delay in Delivery or for failure to give notice of delay. Without liability to any person and without prejudice to any other remedy, Imperva may withhold or delay shipment of any Order if End User is late in payment or is otherwise in default under this Agreement. Title to purchased Appliances and risk of loss shall pass to End User upon Delivery, and Products shall be deemed accepted by End User upon Delivery. Purchased Appliances shall be delivered Ex Works (Incoterms 2000) Imperva's designated manufacturing facility. End User may specify shipping instructions with the Order. In the absence of specific shipping instructions from End User, Imperva will ship by the method it deems most advantageous. End User shall pay and be exclusively liable for all costs associated with shipping and delivery including without limitation, freight, shipping, customs charges and expenses, cost of special packaging or handling and insurance premiums incurred by Imperva in connection with the shipment of Appliances to End User. In its discretion, Imperva may advance shipping charges on behalf of End User on Appliances shipped to End User, and End User agrees to reimburse Imperva for any such advanced charges and expenses.

c. If End User enters into a subscription or term agreement for Appliances, Imperva will pay the shipping and insurance costs and End User will pay customs charges and expenses and costs of special packaging or expedited shipping

requested by End User. End User shall return such Appliance within fifteen (15) days after the end of the applicable term or be charged for the Appliances at Imperva's then-current prices.

## **7. Confidentiality.**

a. As used herein, "**Confidential Information**" means all confidential and proprietary information of a party ("**Disclosing Party**") disclosed to the other party ("**Receiving Party**"), whether orally or in writing, that is designated as confidential or that reasonably should be understood to be confidential given the nature of the information and the circumstances of disclosure. Confidential Information includes, without limitation, the Products, their performance (including any benchmarking information) and Imperva's pricing of the Products and Services. Confidential Information shall not include any information that: (i) is or becomes generally known to the public without breach of any obligation owed to the Disclosing Party; (ii) was known to the Receiving Party prior to its disclosure by the Disclosing Party without breach of any obligation owed to the Disclosing Party; (iii) was independently developed by the Receiving Party without breach of any obligation owed to the Disclosing Party; or (iv) is received from a third party without breach of any obligation owed to the Disclosing Party.

b. The Receiving Party agrees that it will (i) use Confidential Information for the sole purpose of exercising its rights and performing its obligations under this Agreement, (ii) divulge Confidential Information only to those of its and its affiliates' employees, directors, independent consultants or agents who have a need to know such Confidential Information and who are bound by professional duty or in writing (in advance) to confidentiality and non-use obligations at least as protective of such information as this Agreement, and (iii) not disclose any Confidential Information to any third party. The Receiving Party shall notify and cooperate with the Disclosing Party immediately upon discovery of any unauthorized use or disclosure of Confidential Information of the Disclosing Party. The Receiving Party may disclose Confidential Information to comply with an order from a court of competent jurisdiction or with a mandatory requirement of a governing regulatory body, provided such party, to the extent permitted by law and as soon as reasonably practicable under the circumstances, informs the Disclosing Party and allows the Disclosing Party the opportunity to object to the disclosure order or to take action to preserve the confidentiality of the information. The Receiving Party shall cooperate with the Disclosing Party in such party's reasonable efforts to limit the disclosure of the information. End User acknowledges, understands and agrees that Imperva may, as part of its provision of the Product and/or Services to End User, collect, store and use information obtained from End User, including, but not limited to, information about End User's users and customers ("**Information**") for the purposes of the provision of the Product, Services and other services to End User and for analysis and improvement of Imperva's products and services. End User represents and warrants that it has all rights and permissions necessary to transfer such Information and grant Imperva access to such Information as contemplated herein.

c. Upon termination of this Agreement for any or no reason, the Receiving Party shall (i) immediately cease all use of the Disclosing Party's Confidential Information, (ii) at the instruction of the Disclosing Party, either promptly destroy all Confidential Information of the Disclosing Party or return all Confidential Information of the Disclosing Party; provided, however that the Receiving Party may retain a reasonable number of copies of the Confidential Information (and any materials embedding the same) for the sole purposes of satisfying legal or regulatory requirements regarding record and data retention that the Receiving Party is obligated to comply with, enforcing this Agreement and/or archiving consistent with good business practices. For the avoidance of doubt, such copies remain subject to the confidentiality and restricted use provisions of this Agreement.

d. If the Receiving Party discloses or uses (or threatens to disclose or use) any Confidential Information of the Disclosing Party in breach of this Section 7, the Disclosing Party shall have the right, in addition to any other remedies available to it, to seek injunctive relief to enjoin such acts, it being specifically acknowledged by the parties that any other available remedies are inadequate.

## **8. Proprietary Rights; Indemnity.**

a. All title and intellectual property rights in and to the Products are owned exclusively by Imperva and its partners and suppliers. Other than as expressly set forth in this Agreement, no license or other rights in or to the Products and intellectual property rights thereto are granted to End User, and all such licenses and rights are hereby expressly reserved. Any ideas, suggestions, modifications and the like made by End User with respect to a Product will be the property of Imperva regardless of whether Imperva chooses to exercise its rights to incorporate such ideas, suggestions or modifications into the Product.

b. Subject to the remainder of this Section 8(b), Imperva will indemnify End User from any Liability (as defined below) to a third party resulting from infringement of a U.S. patent or any copyright, or misappropriation of any third party trade secrets by the Software as delivered ("**Infringement Claim**"); provided that End User (1) promptly notifies Imperva of any and all threats, claims and proceedings of such Infringement Claim, (2) gives reasonable assistance in response to Imperva's request for assistance, and (3) grants Imperva sole control over defense and settlement thereof. For purposes of this section "Liability" means the resulting costs (including reasonable attorneys' fees) and damages awarded against End User to the third

party making such Infringement Claim, by a court of competent jurisdiction or agreed in settlement. The foregoing obligations do not apply with respect to Software or portions or components thereof, (i) that are modified after delivery by Imperva, (ii) combined with other products, processes or materials, where the alleged infringement relates to such combination, (iii) where End User continues allegedly infringing activity after being notified thereof or modifications that would have avoided the alleged infringement have been made available to End User, or (iv) where End User's use of such Software is not strictly in accordance with this Agreement. In the event that Software is held to or believed by Imperva to infringe, Imperva at its discretion, will have the option to (A) modify the allegedly infringing Software to be non-infringing, (B) obtain for End User a license to continue using the Software, or (C) request the return of the Software and upon receipt thereof terminate this Agreement as to the infringing Software and refund to End User the fees paid under this Agreement for such infringing Software, depreciated on a straight-line basis over a three (3) year period. End User will defend, indemnify and hold Imperva harmless against any claims, damages settlements and expenses (including attorneys' fees) excluded from Imperva's indemnity obligations in (i) – (iv) above. THIS SECTION SETS FORTH IMPERVA'S SOLE OBLIGATION AND END USER'S SOLE AND EXCLUSIVE REMEDY IN THE EVENT OF VIOLATION OF THIRD PARTY RIGHTS.

## **9. Warranty and Disclaimer.**

a. Imperva warrants that during the sixty (60) day period commencing on the date of first Delivery, the Software and the Appliances will perform substantially in accordance with their Documentation. In the event of a breach of the foregoing warranty with respect to the Software, as End User's sole and exclusive remedy, Imperva shall, at its sole expense and discretion, replace the Software with Software conforming to the foregoing warranty, or use reasonable efforts to modify the Software, so that it performs substantially in accordance with its Documentation. In the event of a breach of the foregoing warranty with respect to an Appliance, as End User's sole and exclusive remedy, Imperva shall, at its sole expense and at its option, repair the Appliance or replace the Appliance with a new or reconditioned Appliance that performs materially in accordance with its Documentation. The foregoing warranty extends only to the original purchaser and will not apply to the misuse of or damage to the Products. The rights and remedies granted End User under this Section state Imperva's entire liability, and End User's exclusive remedy, with respect to any breach of the warranty set forth in this Section 9(a).

b. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 9(a), THE PRODUCTS OR SERVICES ARE PROVIDED "AS-IS" AND IMPERVA MAKES NO WARRANTY OF ANY KIND, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE. IMPERVA, ITS PARTNERS AND SUPPLIERS MAKE NO WARRANTY THAT USE OF THE PRODUCTS OR SERVICES WILL BE UNINTERRUPTED, ERROR-FREE OR DEFECT-FREE, OR AVAILABLE AT ALL TIMES. IMPERVA HEREBY SPECIFICALLY DISCLAIMS, ON BEHALF OF ITSELF AND ITS PARTNERS AND SUPPLIERS, ALL IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

**10. Limitations of Liability.** IN NO EVENT WILL END USER'S OR IMPERVA'S (AND ITS PARTNERS' OR SUPPLIERS') LIABILITY FOR DIRECT DAMAGES HEREUNDER EXCEED THE TOTAL VALUE OF AMOUNTS TO BE PAID BY END USER FOR THE PRODUCT OR SERVICE AT ISSUE. IN NO EVENT SHALL END USER OR IMPERVA (OR ITS PARTNERS' OR SUPPLIERS') HAVE ANY LIABILITY TO THE OTHER FOR ANY LOST PROFITS OR REVENUES, LOSS OF DATA OR USE, INTERRUPTION OF THE SERVICES, COSTS OF PROCUREMENT OF SUBSTITUTE GOODS OR SERVICES, OR FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES HOWEVER CAUSED AND, WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, WHETHER OR NOT THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. THE FOREGOING LIMITATIONS SHALL NOT APPLY TO END USER WITH RESPECT TO ANY CLAIMS ARISING UNDER SECTION 2 (LICENSES AND RESTRICTIONS), OR TO EITHER PARTY UNDER SECTION 7 (CONFIDENTIALITY).

## **11. Term and Termination.**

a. The term of this Agreement will commence upon Delivery of the Products to End User and will continue in effect for such time as End User continues to have the right to access the Products. Support, Subscription Services and subscription licenses for Software and/or Appliances will automatically renew at the end of the applicable term unless either party gives the other at least thirty (30) days' notice of non-renewal prior to the end of the then current term.

b. Either party may terminate this Agreement due to a material breach of this Agreement by the other party if such material breach remains uncured for a period of thirty (30) days following receipt of written notice by the breaching party; provided that Imperva may terminate this Agreement and/or all licenses granted to End User hereunder immediately upon written notice to End User if End User breaches any provision of Section 2 (License & Restrictions), Section 4 (Additional Terms for Subscription Services) or Section 7 (Confidentiality).

c. Upon the earlier of expiration of End User's rights or termination of the Agreement, Imperva will cease providing Subscription Services, Support and Professional Services, licenses granted (whether perpetual or on a subscription period basis) under this Agreement will terminate and each party shall promptly return or destroy the other party's Confidential Information in accordance with the provisions of Section 7(c). Termination shall not relieve End User of the obligation to pay any fees

accrued or payable to Imperva prior to the effective date of expiration or termination. The following sections shall survive termination of this Agreement: Sections 2(c), 2(d), 2(f), 4, 6 -12, and 17.

**12. Compliance with Laws; Export.** End User acknowledges that the Software contains encryption technology and such Software and certain technical data are subject to export restrictions by the U.S. government and import restrictions by certain other governments. End User will not and will not allow any third-party to remove or export from the U.S. or allow the export or re-export of any such technical data or any part of the Software or direct product thereof: (i) into (or to a national or resident of) Cuba, Iran, North Korea, Sudan or Syria (to the extent the U.S. government or any agency thereof restricts export or re-export to such countries); (ii) to anyone on the U.S. Commerce Department's Table of Denial Orders or U.S. Treasury Department's list of Specially Designated Nationals; (iii) to any country or region to which such export or re-export is restricted or prohibited, or as to which the U.S. government or any agency thereof requires an export license or other governmental approval at the time of export or re-export without first obtaining such license or approval; or (iv) otherwise in violation of any export or import restrictions, laws or regulations of any U.S. or applicable foreign agency or authority. End User agrees to the foregoing and warrants that it is not located in, under the control of, or a national or resident of any such prohibited country or on any such prohibited party list. **13. End User Mention.** End User consents to Imperva using its name and logo to identify End User as a customer of Imperva, such as use on Imperva's web site. Any use shall be subject to Imperva complying with any guidelines that End User may deliver to Imperva from time-to-time regarding the use of its name and logo. This consent terminates upon termination of this Agreement.

**14. Force Majeure.** Neither party will be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to unforeseen events, which occur after the signing of this Agreement and which are beyond the reasonable control of the parties, such as strikes, blockade, war, terrorism, riots, natural disasters, refusal of license by the government or other governmental agencies, in so far as such an event prevents or delays the affected party from fulfilling its obligations and such party is not able to prevent or remove the force majeure at reasonable cost.

**15. Evaluation.**

**a. Evaluation Product.** If the order is for End User to evaluate Product and its related Documentation on a temporary basis for non-commercial use ("Evaluation Product") and Imperva agrees to such evaluation, conditioned on End User's compliance with the terms and conditions of this Agreement, the license set forth in Section 2(a) shall not apply and Imperva grants to End User during the Evaluation Period (as defined below), a cost-free, nonsublicensable, nontransferable, nonassignable and nonexclusive, revocable license to use the Evaluation Product, solely at the location identified in writing by End User and solely for End User's internal evaluation of the Evaluation Product.

**b.
