Nigsun Desktop as a Services

Nigsun offers flexible licensing arrangements for the service offering. Conscious of vendors licencing portability, Nigsun provide the following pricing

Service	Price per user per month
Hosted Desktop as a Service	£50.00
Additional Storage	£0.75 per Gb
Management of Instances	£35 per instance

As part of the sales engagement, Nigsun will work with the customer to understand their cloud requirements and walk them through the process from virtual infrastructure through to the connectivity requirements and appropriate solutions.
