Definitions and Rate Card

(PaaS)

“We took the decision to move our IT systems to 404, not just because we no longer wanted to house our servers internally but also because we wanted to offer staff the flexibility of being able to access their desktops from wherever and on whatever device they wanted”

Jim Cook, CEO, GoBMV

Hear what people are saying about 404 Team

“With 404 we know we can rely on the 24/7 helpdesk for whatever queries we have. We also know that if we need to upscale the service we receive we can just ramp up on a pay as you go basis”

Dave Cook, Director, Investaco Ltd

“Access is speedy and reliable; files sync efficiently and the latest revisions appear clearly, which makes working in shared documents easier than ever before. The service from your help desk is superb”

Rev Dr. Alan P. R. Gregory, Principal St Augustine's College of Theology

“The 404 flexiDesk has enabled us to collaborate wherever we are - sharing and accessing files. No more expenditure for servers, Microsoft licensing, updates or support as it's all included. At last truly budgetable and secure IT. The change-over was painless and the subsequent support has been brilliant”

Jo Day, Office Manager, BB Contracts
