1.2.2 Bespoke, Dedicated Service Model

See the SFIA Rate Card attached to the G-Cloud submission.

Time spent on website moderation and user support can vary between 0.5 and 2 days work per month depending on the level of support required and the complexity of a website or campaign.

Our costs are based on our Enable rate of £790 per day on the SFIA Rate Card.

Please note: retainers agreed for six months or over drop to the lower Apply rate of £695 per day on the SFIA Rate Card.
