

Affinity Geofield Pricing

Affinity Geofield, along with Affinity Fieldreach, is part of our Affinity Mobile Suite.

Affinity Mobile can be provisioned on-premise or in the cloud, and can be licensed on a perpetual or SaaS basis.

The price of Affinity Mobile is based on the functional modules selected and the technical components necessary for connectivity to back-office solutions.

The following monthly pricing applies for the base product modules:

Affinity Mobile Suite	Per device per month
Affinity Geofield	£20
Affinity Fieldreach	£27
Affinity Mobile (Fieldreach & Geofield)	£40

Notes on Affinity Geofield Pricing:

1. Pricing based on device licenses
2. Affinity Geofield and Affinity Fieldreach products may be purchased and used separately or jointly. See Cloud Software Service Descriptions for Capita Business Services Limited.
3. Base module configuration
4. Minimum term of three years
5. Minimum license 50 devices
6. Discount available for licenses > 500 devices
7. Perpetual licensing available
