7.4. Destruction or Return. Except as otherwise authorized or required in furtherance of the purposes of this Agreement, promptly upon a request by the disclosing Party, the receiving Party will destroy (and so certify it in writing) or return to the disclosing Party all Confidential Information and all documents or media containing any such Confidential Information and all copies or extracts thereof.

8 - TERM AND TERMINATION

8.1. Term of Agreement. 8.2. Termination for Cause. Either Party will have the right to terminate this Agreement immediately upon written notice at any time if the other Party is in material breach of any warranty, term, condition or covenant of this Agreement and fails to cure that breach within 30 days after written notice of that breach.

8.3. Termination for Insolvency. Either Party may terminate the Agreement immediately if the other Party becomes insolvent and the entity licensed and authorised by the applicable law to act in relation to such insolvent Party does not personally guarantee the future payment of any due Fees.

8.4. Effect of Termination. (i) Access. Upon termination, the Subscription shall be automatically canceled and Customer shall no longer have access to the Software, or to the Application of the terminated Subscription. (ii) **Detachment of Customer's Applications**. Subject to the payment of any due fees payable under the Agreement, Customer is entitled to the detachment of a copy of a set of its Applications ("Detachment") in source code format within 30 days of the Agreements' effective date of termination. Upon conclusion of the Detachment, either Party will proceed with the subsequent de-installation and/or destruction of that Software. (iii) Fees. If OutSystems terminates this Agreement pursuant to Sections 8.2 ("Termination for Cause") or 8.3 ("Termination for Insolvency"), OutSystems shall invoice Customer all amounts that have accrued for the terminated items prior to such termination, which were not previously invoiced, as well as all sums remaining unpaid under this Agreement. Customer will pay such invoices in accordance with the terms of this Agreement. In the event Customer terminates this Agreement pursuant to Sections 8.2 ("Termination for Cause") or 8.3 ("Termination for Insolvency") above, OutSystems shall refund Customer any prepaid fees covering the remainder of the Subscription Term of any Subscription in effect, from the effective date of termination (amortized on a straight line basis). In no event will termination relieve Customer of the obligation to pay any Fees due to OutSystems under this Agreement. (iv) **Damages**. Neither Party is liable to the other Party for any damages incurred by the other Party or any third parties as a result of the termination in conformity with this Section 8 ("Term and Termination"). (v) **Other Remedies**. Termination or expiration is not an exclusive remedy and all other remedies will be available whether or not termination occurs.

8.5. Post-Termination Assistance. During the 30 (thirty) days following termination and subject to the payment of all Fees owed under the Agreement, OutSystems will make Customer's Content available for export and download by Customer. In no event will termination relieve Customer of the obligation to pay any Fees due to OutSystems under this Agreement.
