No Risk free trial

We offer a 6 month no risk trial of the Encrypted Referral Forms and Referral Management Desks. This means that organisations can pilot the process for 6 months and if they decide to continue we raise an invoice to cover a 12 month period from when the pilot started and if they decide not to continue we can switch the system off with no costs incurred by them.

Automatically populates Referral and Management desk in real time, saving 100's hours of admin time

Accessible via a link - no logging in

Richer data set capture

Encrypted end to end process

Supports existing application/referral processes
