Cyber Security Training and Services

Templar Executives works with your organisation to offer a focused, outcome-based approach to ensure requirements are addressed to meet business objectives.

Templar Executives eLearning

Our GCHQ Certified eLearning courses include:

- Cyber Security Awareness (*and Cyber Security Awareness for Board members*);
- The General Data Protection Regulation (GDPR) and the Data Protection Act 2018;
- The Network and Information Systems Directive and Regulations; and
- Information Asset Owner Training.

Additional eLearning courses are available; for example some of the above are available as GCHQ Certified Training courses specific to the Maritime Sector. All courses can be tailored to the organisation, for example with branding, images and your own policies. Prices are based on a renewable annual licence and the scope of agreed changes.

For organisations we offer enterprise licences discounted to £1 per person, depending on course and volume. Figures will be based on requirements and the number of users. (*All prices are subject to VAT.*)

Templar Executive Standard Rate Card for Services (May 2019)

These are Templar Executives' standard SFIA-corresponding day rates for our staff, provided hereunder for guidance purposes. For fixed price tenders, prices will be estimated based on a calculation of effort required against nominated skills set and seniority. Discounts can be discussed for long-term contracts.
