

Pricing Document

1. Systems

1.1. EPrints Systems

Enova EPrints Systems Costs		
	Standard Pricing	Educational Pricing
Deployment (standard setup)	£850	£800
Configuration (per day)	£800	£750
Customisation (per day)	£800	£750
Core Service (per installation per month - inclusive of 150 Gb)	£550	£500
Additional Storage (per 50 Gb per month)	£11	£10

Deployment of an EPrints installation is based on EPrints 3.3.15. Standard setup includes cloud access, DNS setup and integration with one of our hosting providers at Google, AWS or Rackspace - for other integrations including MS Azure, please contact us for further details.

Minimum charge for data insertion/extraction is £5 (£4 for Educational Pricing).

1.2. WordPress Systems

WordPress Systems Costs		
	Standard Pricing	Educational Pricing
Deployment (standard setup)	£600	£450
Configuration (per day)	£800	£750
Customisation (per day)	£800	£750
Core Service (per installation per month - inclusive of 50 Gb)	£250	£200
Additional Storage (per 50 Gb per month)	£11	£10

Deployment of a WordPress installation is based on the latest version. Standard setup includes cloud access and integration with one of our hosting providers at Google, AWS or Rackspace.

2. Cloud Support Fees

2.1. For EPrints, Wordpress and PHP Development

Daily Rates	
Developer	£800.00
Lead Developer	£900.00
Technical Manager	£1,000.00
Programme Manager	£1,100.00

2.2. Training

Enova Training Costs	
Standard Pricing	Educational Pricing
£900	£800

3. Support

Support			
Level	Rate	Units	Total
Basic	£800.00	5	£4,000.00
Professional	£750.00	9	£6,750.00
Enterprise	£700.00	15	£10,500.00

Enova provides on-going support packages for all of its services:

Basic: The support includes up to 5 days per year. 1 day is used for deployment and management and 4 days for support only.

Professional: Support includes 9 days per year. Days can be used for support as well as for new tasks and functionality.

Enterprise: Support includes 15 days per year. Deployment and core service (in the case of EPrints setups) are included. These days can be used for support as well as for new tasks and functionality as long as the new task does not require more than 2 days.

4. VAT

Prices are excluding VAT.
