

Informatica's Statement on Slavery and Human Trafficking

Informatica has a zero-tolerance approach to any form of modern slavery. We are committed to acting ethically and with integrity and transparency in all business dealings. We have controls and systems in place to safeguard against modern slavery within our business and supply chain.

This statement is made pursuant to section 54 of the U.K. Modern Slavery Act 2015 to document our policy regarding modern slavery and human trafficking, as well as our efforts to ensure that any form of modern slavery—which could include slavery, servitude, human trafficking, and forced labor—is not taking place within our business or supply chain.
