ENTERPRISE LICENSE FOR LOCAL AUTHORITIES

In order to make it easier for customers wanting to take advantage of the product across the whole enterprise we have created enterprise licenses for Local Authorities depending on their population.

These licenses offer full access to the whole suite including all supporting modules with no capped users or concurrency for Modeler and Viewer. There are 4 price brackets as detailed below:

Local Authority License	Population	Cost per annum	Users and concurrency
Small	< 100,000	£13,725	Unlimited
Medium	100,000 – 250,000	£17,280	Unlimited
Large	250,000 – 500,000	£23,300	Unlimited
X Large	>500,000	£29,700	Unlimited

Please Note:

- The prices are for Local Authorities only
- The enterprise licenses relate to a single Local Authority use only no partnerships or groups
- No partner agencies are covered by the license

We would be happy to offer enterprise deals for any other sector or partnerships but have not yet calculated a framework price model. Please contact us to discuss your individual requirements and user base.
