

Cadcorp Notice Board™ Service G-Cloud 11 Pricing Document

This Pricing Document should be read in conjunction with the Cadcorp Notice Board G-Cloud 11 Service Definition and the Cadcorp G-Cloud 11 Standard Terms and Conditions of supply.

1. Notice Board - £975 per month subscription fee

A subscription to Cadcorp Notice Board as a fully hosted service on an instance of a Microsoft Azure Cloud server. The service includes:

- Microsoft Azure hosted server including up to 512GB of Premium Solid State Storage
- Notice Board, Local Knowledge™ and GeognoSIS® subscription licence
- PostGIS spatial database
- Cadcorp Support Services
- Application Management Tasks:
 - Application health check including monitoring resources
 - High level data and security review
 - Installing new software service releases as required
 - Running and monitoring data management tasks

2. Initial Service Set up - £4,500

The initial service set up includes:

- Installation, setup and configuration of Notice Board, Local Knowledge, GeognoSIS and a PostGIS spatial database onto Microsoft Azure Cloud Server
- Data Configuration including the creation of project files and data files for up to 9 initial notices
- Configuration of Gazetteer and Search options (based on data loaded using Cadcorp Address Loader) or Code-Point Open
- Project management to confirm customer requirements, assess data readiness for Notice Board and schedule the project

3. Additional Service Option

The Notice Board Subscription Fee and Initial Service Set up provide everything that is required to deliver an off the shelf spatial dashboard application. Cadcorp can optionally provide the following additional service options and can offer advice on when these additional service options should be considered. Please contact Cadcorp to discuss these additional service options in more detail.

Additional Service Options	Unit	Price
Software		
SIS Desktop	Year	£1,580
Notice Board and GeognoSIS	Year	£6,805
Local Knowledge	Year	£835
Services		
Admin Training Courses	Day	£1,200
Consultancy	Day	£900
Project Management	Day	£900
Hosting		
Upgrade to Medium Azure Server	Month	£150
Upgrade to Large Azure Server	Month	£600
Azure Site Recovery Service (per instance)	Month	£30
Database Extraction Service (per 100GB)	Month	£90
Additional 64GB of Premium Solid State Storage	Month	£15

4. Pricing Notes:

- The consumer can terminate the provision of the service by giving 90 days' notice in writing to Cadcorp following an initial 12 month minimum term
- There is an option to invoice annually in advance or quarterly in advance
- SIS Desktop is provided as a concurrent single annual subscription user licence. All other software is supplied as an annual subscription licence per server
- Prices exclude expenses for any onsite consultancy, training and project management that may be required
- Server prices are based on a Microsoft Azure UK data centre
- The Azure Site Recovery Service will require a consultancy day to initiate a site recovery
- All prices exclude VAT and are subject to Cadcorp standard terms and conditions
