Service Pricing

Pricing Principles

Pricing will depend on each individual project but will be based on the basic principles below. The setup costs will differ between projects depending on size and complexity but the example below is based on setting up a 40 user system in Scotland.

Pricing Options

Implementation of systems	Day Rates	One-off Set-up Fee Approx
Software Development	£755	£1,850
Project Management	£1,000	
Site Visits	£1,250	

We've got IT covered
