

Care Leavers App

Pricing

May 2018

The **Care Leavers App** can be configured to meet individual project requirements. The costs provided below are typical of standard implementations.

Year One Cost – [£8000]

Includes: App setup, customised ‘look and feel’*, information and advice pages (unlimited), events listings, directory of services, apprenticeships feed, contact us details, feedback / page scoring, import of all content, testing, publication to App Store and Google Play, first 12 months technical support, quarterly reporting, annual review.

Year Two Onwards – [£5000]

Includes: ongoing use of the App, technical support, quarterly reporting, content updates, annual performance review.

Secure Messaging – [£8000] annually.

Includes: Setup, first 150 user accounts, system hosting, technical support, reporting.

Additional bespoke functionality and customisation can be quoted for on request and on receipt of requirements.

** we include limited design customisation within Year One costs: changes to colours, fonts, logo, images etc.*

Any extensive redesign of the existing layout or original / new design work may be quoted and charged separately.

All prices exclude VAT, subject to minimum one year contract. Flexible payment plan can be provided. Ongoing charges invoiced annually.
