Support & Hosting

All Stopford systems have an annual support and hosting cost. This covers support and maintenance of the system including 9am-5pm telephone and email support, the support contract also entitles users to free upgrades of the system when a new version becomes available.

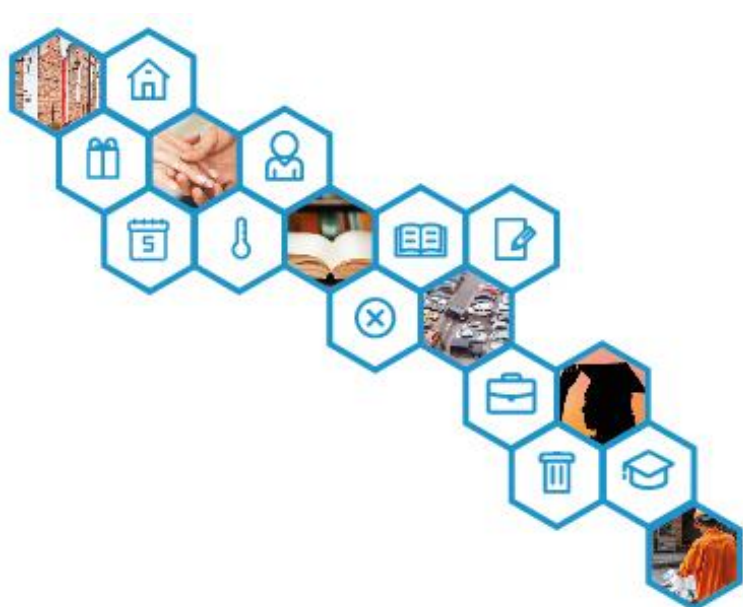

The hosting portion of the support and hosting cost, includes the server for the software, all software pre requisites for the core system and support of the server. Hosting is a single annual cost regardless of the number of systems that are purchased.
