1.0 Pricing

1.1 Flexible pricing for every budget

This service offers public sector cloud migration services for organisations looking to upgrade to Windows 10 and associated Office 365 applications. UCNS provides options for a variety of budget models and requirements. Options include shared resources onsite and cloud or pure cloud. UCNS Managed IT are happy to work with the customer to find a suitable and compliant model that meets the needs of the buyer.

1.2 Service Pricing

Pricing is subject to the agreed statements of work and scope, however the following SFIA day rates will apply accordingly;

	Strategy & architecture	Business change	Solution development & implementation	Service management	Procurement & management support	Client interface
