1 Tenant Engagement Platform Pricing

1.1 Standard Licence

The Tenant Engagement Platform (TEP) is offered under an annual licencing model. The minimum contract term is 12 months and prices are subject to VAT at the prevailing rate.

The TEP is priced at £4,950 for each 12 month period, which includes:

- 5,000 user accounts
- Personalised home feed for tenants based on their interests
- Collaborative spaces for neighbourhood areas, topics and communities
- Intuitive editor for sharing content, images and documents with tenants
- Poll creation and deployment to all users or targeted groups
- Powerful form and survey builder module with CSV extract feature
- Threaded commenting for organic discussions and audience engagement
- Integrated map features enables tenants to pinpoint hotspot areas
- Integrated notifications module enables tenants to set their preferences
- Approval process for residents to create/join Tenant Resident Associations
- Standard design templates, customised with your organisation's logo
- Your choice of URL (domain registration costs are charged separately)
- Engagement dashboard for analysis of popular topics with CSV export
- Fast and resilient cloud platform delivered from UK Tier 3 datacentre

1.2 Additional User Accounts

If you require additional user accounts, these are chargeable at £250 per 1,000 account bundle per annum.

1.3 Additional Services

- Federated login £795 setup fee
- 2 factor authentication £795 setup fee
- Bespoke requirements and custom design services are charged separately in accord with the *G-Cloud 11 Cyber Media Solutions Rate Card*.
- SMS notifications are charged at £100 +VAT for 1,000 credits (discounts available for bulk credit purchases).
