

Q doctor pricing is flexible according to the specific needs of the organisation.

**Platform only (existing clinicians)**

Use of the platform can be on a per clinical seat basis, as per the representative examples below, or alternatively can be priced per patient per year (please contact team for this format of quotation).

Typical cost per seat (unlimited use): £350-999/month

Option 1: No recording of video or audio Licence – Paid up front annually. Unlimited use by each clinical user.		
Clinical seats	Price per month per seat	Price per year per seat
1-5	£450	£5,400
6-10	£400	£4,800
11+	£350	£4,200

Option 2: Video and audio (or audio only) recorded and securely stored		
Clinical seats	Price per month per seat	Price per year per seat
1-5	£999	£11,988
6-10	£950	£11,400
11+	£900	£10,800

**Service only (Q doctor provided clinicians)**

Digital GP are provided at extremely competitive hourly rates, with no additional platform cost; please discuss with the team around specific coverage requirements for rates quotes as a workforce solution.
