SYNCHRO Workgroup Project Pricing

All active licenses are entitled to updates, a full day of one-on-one technical set-up support and online best practice training from the SYNCHRO Project Delivery Team, and access to SYNCHRO Academy online training.

One concurrent project, unlimited users

SWP hosts a project master data for coordinated Construction Information Modelling and provides real time data exchange and access to get/set data in Synchro PRO, SCH, OVR, and SITE. Offered either on Microsoft Azure[®] cloud hosting or on <<USER>>'s own network or cloud environment.

Licenses include one full day of technical set up support and online best practices training for SWP/SITE integration and access to SYNCHRO Academy online training.

- Annual Subscription
- Cloud Hosted or on <<USER>>'s Network
- (14 GB RAM/Memory storage limit per project)

Unit price: £5,650

About Bentley Systems

Bentley Systems is a global leader in providing architects, engineers, geospatial professionals, constructors, and owner-operators with comprehensive software solutions for advancing the design, construction, and operations of infrastructure. Bentley users leverage information mobility across disciplines and throughout the infrastructure lifecycle to deliver better-performing projects and assets. Bentley solutions encompass *MicroStation* applications for *information modeling*, *ProjectWise* collaboration services to deliver *integrated projects*, and *AssetWise* operations services to achieve *intelligent infrastructure* – complemented by worldwide professional services and comprehensive managed services.

Founded in 1984, Bentley has more than 3,000 colleagues in over 50 countries, more than \$600 million in annual revenues, and since 2008 has invested more than \$1 billion in research, development, and acquisitions.

Additional information about Bentley is available at www.bentley.com and in Bentley's annual report. For Bentley news as it happens, subscribe to an RSS feed of Bentley press releases and news alerts. Visit *The Year in Infrastructure* Conference website for highlights of Bentley's premier thought-leadership event. To view a searchable collection of innovative infrastructure projects from the annual *Be Inspired* Awards, access Bentley's *Infrastructure Yearbooks*. To access a professional networking site that enables members of the infrastructure community to connect, communicate, and learn from each other, visit Bentley Communities.
