

Price list Meeting Center (G-Cloud 11)

Meeting Center (G-Cloud) is the cloud offering for UK government organisations. It offers enterprise class security and scalability UK public sector organisations require.

Subscription scheme. In addition to purchasing a subscription for the Meeting Center, customers purchase subscriptions for licensing a certain number of named individuals as 'Leader' or 'Facilitator' for a specific term.

- Leader licenses offer the most popular MeetingSphere features and functions for dynamic collaboration in web conferences
- Facilitator licenses offer the complete set of features and functions for professional online workshops

Meeting Center (G-Cloud)	1 year	2 years
Set-up fee (once only)	£4,410	£4,410
Managed Server subscription	£16,900	£32,110

User subscriptions – Fee per license

Facilitators	201 through 500	£632	£1,201
Facilitators	501 and above	£553	£1,051

* The volume-discount scale applies to each user subscription separately

Term and Termination. Unless renewed, MeetingSphere subscriptions expire at the end of their prepaid term. User subscriptions are inextricably linked to the Meeting Center's. When that subscription expires, user licenses will become unusable.

Prices and payment. All prices are exclusive of VAT. Invoices are issued on delivery. Payment is due in full within 30 days of receipt of invoice. Payment within 15 days attracts a prompt-payment discount of 1%.
