The DXC Technology rate structure provides banding within each category depending on the delivery model chosen:

- Local Delivery On-site (Customer premises) Delivery.
- Regional Delivery Leveraged Global / Regional Delivery from a DXC site dependent on consulting expertise / location and security requirements.

The benefit to your business is that DXC Technology can provide an efficient and economical delivery model allowing clients to quickly add technical resources to meet growing needs.

We would be delighted to engage with you and determine the best fit for your projects in order to achieve the outcomes you need. Once agreed, this would form the basis of the order, and be subject to the Framework arrangement, terms, and conditions, which support this service.

Our rates for this service are shown in the SFIA rate card.
2. Getting started – How to Buy

2.1. Ordering and Procurement

- Customer enquiries and Call-Off Contracts should be directed to your Sales or Account Manager or to the DXC Framework Management Centre by email to ukitenders@dxc.com.

- When you make an order or ask for a quote, our sales support desk will acknowledge your request and give you a reference number you can use to track its progress. For quotes, our sales support desk will keep you regularly updated on progress.

- Once we have agreed the service design our consultants and sales staff will work with you to develop the Call-Off Contract, during this process, DXC will confirm the required order details.

- Once we have processed your order, DXC will advise you of the service start date.

2.2. Terms and conditions

Please refer to the service Terms and Conditions, which are available on the Digital Marketplace service page.
