1.1

Introduction to pricing

We offer a flexible pricing model that adapts to the level of support and monitoring required and we would work with you to tailor our service to your needs, to ensure the best value possible.

The price range quoted below is illustrative only, and should not be used for budgeting purposes before your project is scoped in more detail, and we have an in-depth understanding of the capability you require. This pricing is based on the provision of a managed service, and is provided on the premise that a Deloitte operations team will deliver the service.

Our pricing ranges from £20 to £200 per user per month.

All prices are quoted exclusive of VAT.

1.2

SFIA rate card

We offer a range of complementary Cloud Support Services that can support the design and implementation of the services. Any additional support that may be required is offered based on the unit of Resource-Day based upon our published Skills For the Information (SFIA) rate card.

1.3

Invoicing process

We will invoice you based on an invoice schedule in our Service. All invoices will be payable within 30 days.

Important notice

This document should be read in conjunction with Deloitte's company information and applicable Service Definition. Should you wish to obtain our services, please contact us using the Ordering Process described in the service definition to discuss your requirements and how we may meet them. Following these discussions and our internal acceptance procedures, we would then enter into a direct order with you in accordance with the Framework terms to confirm our appointment.
