- Prices quoted are based on an annual subscription.
- Should SIMS Primary be purchased by a school which then changes its legal status, SIMS Primary can be transferred on payment of an administration fee to Capita.
- Should SIMS Primary be purchased by a local authority for use by one or more of its maintained schools, the purchased service can only be used in the purchasing authority's maintained establishments. Therefore, should a school change its legal status, it will be required to purchase SIMS Primary in its own right.
- Capita's pricing assumes no service credits, rebates or other penalties/ deductions/ liquidated damages will be applied.
- Capita's pricing assumes that TUPE does not apply to ANY staff currently employed in the support of an MIS solution, including permanent, temporary and contract staff.
- All prices exclude VAT which will be applied at the prevailing rate.
