

Service Price

The service price (per trust) for the Mobile and Weis as set out in the table below:

Service component	Monthly Charge
Core 835 solution (including all "Information Areas")	£13,000
Acute Patient Flow management for A&E	£10,000
Clinical Data Archive Viewer	£5,000
Automated Friends and Family Test (A&E, IP, OP, Maternity)	£2,000 + SMS costs as incurred
Clinician Ward Round mobile app	£3,500

These prices are based on a monthly charge for a minimum 2-year commitment.

Discounts

Where the Core 835 is purchased by more than one trust sharing a common domain, a discount of 25% to the above prices shall be applied to the charges for each sharing trust.

No other discounts apply.

Extra services

Prices for extra services will be calculated as follows:

Extra Service	Charge
Remote hosting	Azure Remote hosting will be charged at cost price plus £1000 per month. Azure costs will depend on size of Trust database and performance levels required.
Automated Friends and Family Test (Community)	£1,000 per month
Bespoke enhancements (e.g. new App features, additional Clinical Data Viewer data sets)	Charged in accordance with SFIA rates
