This Landmark Information Group Ltd GCloud service is provided under the standard GCloud11 framework terms and conditions.

Landmark may add the following terms and conditions to any GCloud contract at the point of enquiry if relevant to the specific service:

- Where Landmark and/or its licensors own intellectual property rights in the software and the services, this agreement does not grant the customer any rights to, or in, patents, copyrights, database rights, trade secrets, trade names, trade marks (whether registered or unregistered), or any other rights or licences in respect of the software, services or any related documentation.

- If the service required by a buyer involves the use of specific Landmark or third party data sets, and terms of usage are not already covered by existing buyer or open licences, then specific terms, conditions and IPR constraints associated to the use of those data sets within the buyer’s required solution will be provided at the point of enquiry.
