1 Pricing

The pricing relates to the provision of the Savant Stock Control (SSC) Service, our cloud based stock control management system, as part of G-Cloud 11.

All prices are exclusive of VAT.

1.1 SSC Monthly License Price

The monthly licence price for SSC varies between £200.00 and £3000.00 per month dependent on:

- The number of users of the system
- The hosting mechanism required (N3 hosting, remote hosting, local hosting)
- The support levels required

Please contact us to discuss your requirements and we will provide a tailored quotation.

1.2 Training

Savant can provide training courses in the use of SSC.

One day training course: £1050.00

2 day training course: £2050.00

1.3 Consultancy

The day rates for consultancy are given on the SFIA Rate card.
