

## SSC END USER AGREEMENT

Use of the software subscription service for Savant Stock Control (SSC) (the "Service") is subject to these Terms of Use (this "Agreement"). Your registration for, or use of, the Service shall be deemed to be your acceptance of this Agreement. The Licensor may modify this agreement at any time without notice to you by posting a revised Agreement on the Service login page. You are responsible for regularly reviewing the Agreement.

The copyright and other intellectual property rights in SSC ("the Software") are owned by Savant Limited (the "Licensor") whose registered office is Dalton Hall Business Centre, Dalton Lane, Burton-in-Kendal, Cumbria, LA6 1BL and whose company number is 2077844 ("the Owner").

For the avoidance of doubt, this Agreement details the licensing conditions, the service availability, the support service and the response times for the Service that the Licensor will use its reasonable endeavours to provide upon payment of the Fee.

If the supply of the Service is covered by an existing Agreement between the Licensor and yourselves, then the existing Agreement between the parties will take precedence over this Agreement.

### 2. Grant of Licence

The Licensor hereby grants you a non-exclusive, non-transferable right to use the Site and the Service for the “Licence Term”, solely for your own internal business purposes, subject to this Agreement.

You may use the content on the Site only for your internal business purposes in connection with the Service. The Licensor will not disclose any of Your Content to any third party without your prior written consent, unless required to do so pursuant to any law or regulation from time to time in force in England and Wales.

The Licensor shall be entitled to adjust the scope of the Services and the underlying technical infrastructure to reflect the continuing development of the Service and technical advances.

### 3. Response Times

All queries on the use of the Service or the Site must be submitted by email from a registered user to [sscsupport@savant.co.uk](mailto:sscsupport@savant.co.uk). The Licensor will acknowledge all queries logged in Standard Working Hours within 4 working hours. The Licensor will notify the client via email when an issue has been resolved.

### 4. Service Availability

The Licensor will use all reasonable endeavours to ensure that the Service will be available for not less than 98% of each calendar month. The Service is deemed to be unavailable in the event of a total loss of service which is not a result of the customers own equipment, network termination within an office or a planned outage.

The Licensor shall have no liability to you if the failure to meet service availability arises directly or indirectly from any of the following:

- a) the Licensor acting on recommendations from third parties such as emergency services;
- b) scheduled maintenance or re-configuration to the Service being carried out by the Licensor, notified where possible at least 5 working days in advance;

If you discover a defect or error in the Software, the Licensor shall within 10 working days investigate the reported defect or error and inform you of its proposed course of action. The Licensor shall thereafter use its reasonable endeavours to correct such defect or error. Provided the Licensor has in its reasonable opinion been able to rectify the defect or error, it shall, upon such correction being completed, upgrade the Software at the next planned maintenance.

### **7. Backups**

You understand and acknowledge that you are solely responsible for creating backup files of all data accessed by or used through the Service and that the Licensor is not liable for any damages relating to lost, corrupted or damaged data.

Your Content will be returned to you in the event of termination of this agreement by either party.

### **10. Waiver**

Failure or neglect by the Licensor to enforce at any time any of the provisions hereof shall not be construed nor shall be deemed to be a waiver of the Licensor's rights hereunder nor in any way affect the validity of the whole or any part of this Agreement nor prejudice the Licensor's rights to take subsequent action.
