Lot 2.2 - Pricing

Pricing is dependant on a number of factors, including number of organisations buying, number of users, scope of analysis, data feeds, data quality and any customisation required. The table below provides an outline.

Priced per organisation per month**, billed annually

No. of organisations*	PBlite	PB	Product Switch		Data Analytics as a Service - per Category
1	FREE	£475	£670		£10,000
2-5		£430	£600		£9,000
6-50		£400	£540		£8,000
51-136		£340	£490		£7,250
137-200		£290	£450		£6,750
200+		£245	£410		£6,250

All rates exclude VAT, priced monthly per org, billed annually

* Organisation being an English NHS Provider / Trust. Shared Services / Government depts / Scottish Health Boards / Non-English NHS Trusts all priced separately as they are based on different models. All prices are billed per organisation per year and exclude VAT, based on 2 year contracts. Spend Analysis and Procurement Dashboard are standard packages. Any agreed customisation will be charged separately. Additional users can be purchased on an annual basis. Price on application. PB comes with 2 user licenses as standard, PBlite comes with 1 user license. Data re-work required is charged in line with our SFIA rate card

** Data Analytics as a Service is priced per Category analysed (not per month)

Onsite training can be provided at a cost of £1,500 per training event / day plus expenses, maximum 10 attendees.

- PB = Price Benchmarking,
- All pricing monthly**, billed annually - based on a minimum 2 year contract
- Web / Email / Telephone Support Desk included
- Re-working of data is chargeable in line with the SFIA rate card
- Advisory / delivery services charged inline with our SFIA rate card
- Price includes unlimited input logins and one analyser login.
- Extra analyser logins can be purchased for £50 per user per month
- PBlite, a cut down version of PB is free if customers send data each month. Failure to do so may result in termination of access
