Pricing Matrix

| Fixed Pricing |  |  |  |  | Alternative Pricing <br> Per transaction |
| :---: | :---: | :---: | :---: | :---: | :---: |
| Volume (no. of transactions) |  |  | Charges |  |  |
| Start | End | Annual Equivalent | Monthly Charge | Annual Charge |  |
| 250 | 500 | 6,000 | £125.00 | £1,500.00 | £0.35 |
| 500 | 1,000 | 12,000 | £200.00 | £2,400.00 | £0.25 |
| 1,000 | 2,500 | 30,000 | £375.00 | £4,500.00 | £0.20 |
| 2,500 | 5,000 | 60,000 | £650.00 | £7,800.00 | £0.17 |
| 5,000 | 10,000 | 120,000 | £1,100.00 | £13,200.00 | £0.14 |
| 10,000 | 25,000 | 300,000 | £2,050.00 | £24,600.00 | £0.12 |
| 25,000 | 50,000 | 600,000 | £3,500.00 | $£ 42,000.00$ | £0.10 |
| 50,000 | 100,000 | 1,200,000 | £5,000.00 | £60,000.00 | £0.07 |
| 100,000 | 250,000 | 3,000,000 | £7,750.00 | £93,000.00 | £0.05 |
| 250,000 | 500,000 | 6,000,000 | £10,500.00 | £126,000.00 | £0.03 |

## Service Description

The Trillium Direct Debit Platform is a proven layer of services that is architected to sit on top of and significantly enhance functionality available in Microsoft Dynamics 365 CRM.

## Microsoft Licensing

Licences for Dynamics 365 would need to be purchased in addition to the costs shown above.

## Professional Services

In almost all cases, as well as the costs detailed above, the customer will require some professional services to assist with the design, development and deployment of the Trillium Direct Debit Platform. Please contact us for further details

## Application Support Helpdesk

Trillium provides flexible, industry-leading support, services, and resources that enable users to quickly address technical issues, deepen their professional expertise, and maximise Return on Investment. Trillium's Microsoft Dynamics 365 application support lets customers choose a plan that best meets your business needs and gets you back to work faster whenever issues arise. Pricing is based on the service plan selected and therefore can be quoted after further discussion with the customer.
