EOH Service Management AWS Pricing Guide
Issue Date: 17 July 2020

Pricing Summary

Any service we provide can be altered, negotiated and is flexible to the customer need. The pricing schedule and structure shown below is merely a guideline on some of the services we offer and their approximate costing.
Resource, maintenance and support costs will be factored into the overall pricing we offer to customers.

Below pricing is an indication of the unit rate, discounts can be applied based on volumes.

Resource	Pricing	Pricing Unit
AWS Technical Solution Architect	£ 1000	Per day
AWS Services	Refer to AWS Pricing Calculator - https://calculator.aws/#/
