

Microstrategy Business Intelligence (BI) and Management Information (MI) Consultancy Pricing

Overview

A resource based pricing model applies to all specialist cloud services offered.

Resource based pricing

For a given requirement, CDS will advise on the estimated effort for each staff grade required. Please see our SFIA standard rate card.

Daily Rates

Please see our SFIA standard rate card, which provides information on our standard day rates. All rates exclude VAT.

Sector, educational and volume discounts

No alternative pricing or discounts apply to services.

Complimentary Software and Services

CDS provide a range of complimentary software and services to enhance your solution and meet your needs.
